administrative division

Johnson & Hill specializes in providing administrative and clerical talent, such as administrative assistants, Microsoft Office specialists, office assistants and customer service. We recruit only the finest individuals who will add immediate value to your business.

legal division

Johnson & Hill has extensive experience placing employees in the legal field. We continually source the best legal talent including legal assistants and paralegals with experience in litigation, real estate, corporate, trusts, estate and personal injury. We understand the regional market and make it our business to get to know each law firm we work with.

accounting division

Some of the area's most prestigious financial institutions rely on Johnson & Hill for employees who are specifically trained in the financial and accounting fields. Our clients know that we will provide them with qualified, experienced and professional candidates, with skills ranging from professional accounting and bookkeeping to payroll.

professional division

We fill a wide variety of professional and technical positions on a temporary contract, contract to hire and direct hire basis. We make a significant investment in recruiting to ensure that we have the finest individuals representing our company. Whether you need a human resources professional, a purchasing agent, technical support or marketing expertise, Johnson & Hill has the answer.
